Dear Mr. Baker,

Recently we received a letter from you advising us of the need for all operators posting cash sureties to complete the appropriate tax form. Please be advised that we no longer have any cash sureties attached to areas of operation. For years we did have a CD with Barnes Banking Company which covered bond for the Lynn Spring LMO, however, when Barnes Banking Company became insolvent and was closed down by the government we moved our accounts to Zions Bancorp.

Zions has been carrying non-cash surety policies for both the Lynn Springs Quarry LMO and the Grouse Creek Mountain LMO in the appropriate amounts for a number of years now. We are certain that records of these bonds are in the hands of UDOGM at this time.

Please see that this status is changed so that we may avoid any problems with non-compliance associated with the Divisions' request for completed tax forms which no longer apply to Bonneville Quarries, Inc.

Sincerely,

William L Bown - President
